September 14, 2023

Dear Berkley Street School Families,

Governor Phil Murphy signed legislation (A-5727/S-3726) requiring school security drills to be age-appropriate and prevent unnecessary traumatization of schoolchildren. Guardians are also to be provided with written notification that our school has completed a lockdown drill no later than the end of the school day on which it was conducted.

This message will serve as a notification that Berkley Street School held a lockdown drill today, September 14, 2023.

Warm regards,

Caridad Chrisomalis

Caridad Chrisomalis
Principal
