Caridad Chrisomalis, Principal
Patricia Policastro, Vice Principal

Dear Parents/Guardians,

As you know, we value and depend on your support to help us keep Berkley Street School running in a manner that keeps our child/ren safe and focused on their academic/social and emotional growth. Over the last few days, it has come to our attention that students are wearing and using devices, e.g., cell phones, Apple watches, etc. during the school day.

Please accept this email as a firm reminder that as clearly stipulated on page 12 of our Student Handbook (which you can find on our website) "Students are prohibited from using personal electronic devices, including phones, cameras, games, and mp3 players."

We ask that you kindly support our efforts to ensure students are abiding by our Code of Conduct by engaging your child/ren in conversations about the importance of adhering to school policies.

Thank you.

Cary Chrisomalis, Patti Policastro
